Reporting in the field of environment – Directive 2000/53/EC of the European Parliament and of the Council of 18 September 2000 on end-of life vehicles – Annual ELV targets compliance report

Reference is made to the following provisions in Chapter V of Annex XX of the EEA Agreement:

- *article 7(2) of the Act referred to at point 32e (Directive 2000/53/EC of the European Parliament and of the Council of 18 September 2000 on end-of life vehicles)*
- *article 1 of the Act referred to at point 32ed (Commission Decision 2005/293/EC of 1 April 2005 laying down detailed rules on the monitoring of the reuse/recovery and reuse/recycling targets set out in Directive 2000/53/EC of the European Parliament and of the Council on end-of-life vehicles)*

Norway hereby submits the annual ELV targets compliance report covering the year 2008.
