**Swedish data reporting Environmental Noise Directive (2002/49 EC)**

To fulfil the Article 7-1 obligations set out by the Environmental Noise Directive (2002/49/EC), we would refer to the previous reports in accordance with Article 7-2, 31 December 2008:

All major roads, major railways, major airports and agglomerations designated by MS

- Per agglomeration  $\geq 100,000$  inhab.
- Per major civil airport  $\geq 50,000$  movts/y
- For major roads  $\geq 3$  millions veh/y
- For major railways  $\geq 30,000$  trains/y

All reports are available at Eionet Central Data Repository
